Civil Ceremonies

Make it official

In the UK, we are one of the most ethnically diverse and multicultural nations in the world. It is therefore no surprise that the UK sees its people celebrate their marriages in various ways and in accordance with a number of different customs and faiths. But, where does it leave you if your religious marriage is not recognised in English law?

At Cedar Court Hotel, we are licensed to hold Civil Ceremonies within the hotel. The Rowan Suite is the perfect room for small, intimate ceremonies surrounded by your family.
