RESTAURANT

## Harold's is rooted in Huddersfield not just in place, but in spirit.

Born in the town and shaped by its values, Harold Wilson added a splash of colour into the black and white world of Westminster. A Prime Minister who showcased the best of Yorkshire: the warmth, the friendliness, the adaptability, and the grit that makes us so special.

Harold's is a place that celebrates modern Yorkshire hospitality. The kind that says come as you are, pull up a chair, and make yourself at home.

A space where everyone is welcome, where good times are taken seriously.

**No stuffy rules. No debates. Just plates.**

**So... welcome! It's time to get stuck into some proper, no nonsense grub.**
