HAROLD'S
RESTAURANT

Harold's is rooted in Huddersfield not just in place, but in spirit.

Born in the town and shaped by its values, Harold Wilson added a splash of colour into the black and white world of Westminster. A Prime Minister who showcased the best of Yorkshire: the warmth, the friendliness, the adaptability, and the grit that makes us so special.

Harold's is a place that celebrates modern Yorkshire hospitality. The kind that says come as you are, pull up a chair, and make yourself at home.

A space where everyone is welcome, where good times are taken seriously.

No stuffy rules. No debates. Just plates.

So... welcome! It's time to get stuck into some proper, no nonsense grub.
